Check all that apply: Double Major Simultaneous Degree Change of College into Letters and Science

STUDENT INSTRUCTIONS:

L&S Undergraduate Program Plan

1. Starting with the current term, list all courses you plan to take, including those needed to complete major(s), college/school, and university requirements (see <https://lsadvising.berkeley.edu> for details). When filling out the "Req" column, you should indicate if a course fulfills a requirement.
Examples: "major," "minor," "college," "elective," "premed."
- a. A minimum of 13 units must be listed for each semester unless you are approved for a reduced course load by Letters and Science. Your program plan should also include your in-progress courses for the current semester. You DO NOT need to list previous coursework that you have already completed. If you do not know the exact department or number of the course(s) you intend to take, put place-holders. For example, you can write: "Elective" or "Major Course." Please ensure that all requirements that you need to fulfill for graduation are included on the program plan and addendum.

b. When totaling "Cumulative Units," this should include all units that you would earn upon successful completion of that term, including previously earned units while in high school (AP, IB, etc.), adjusted transfer units, and UC Berkeley units. Refer to your Transfer Credit Report on CalCentral. When completing the program plan, please be mindful of the **Unit Ceiling and Semester Limit** policies. It is important to prioritize major requirements and college requirements to ensure timely progress towards graduation.

Addendum: L&S Degree Requirements

1. Identify which of the following University and College requirements you have completed, have in progress (IP), or plan to take. If you have not yet taken the course or it is not in progress, please indicate the semester in which you plan to take the course. If the requirement was completed with an Exam, please note this under the "Course" column.
- a. Please note that in addition to these course requirements for L&S and UC Berkeley, L&S has unit requirements that need to be completed for graduation.
2. Review and complete the "Student Acknowledgment" section.
- a. If you need assistance completing this addendum, please use the **APR tool** or contact **L&S Advising** for support.

UNDERGRADUATE MAJOR ADVISER INSTRUCTIONS: Please review and sign the student’s L&S Undergraduate Program Plan to confirm that the course(s) listed will help satisfy major requirements. Please refer students to an L&S College Adviser to discuss remaining L&S graduation requirements and the semester limit/unit ceiling.
