

# Petition to Declare Simultaneous Degrees

Use this form if you are already declared in a major and want to add a second major in a different college. The college in which you are currently declared is your **home college**. The college you plan to add is the **second college**. If you are planning to pursue majors in two colleges and are not currently in either, consult with your prospective major advisors prior to completing this form.

## Instructions (to be completed in the following order):

1. Consult with your home and second colleges for appropriate forms, procedures, eligibility requirements, and deadlines, and to ensure you can meet both colleges' eligibility requirements.
2. Review the supplemental instructions and eligibility requirements for your home college and second college listed in the "Supplemental Materials" links below.
3. Request approval and signatures from your home college advisor and current major advisor, if applicable, on all forms in the packet. Include all supplemental materials, if applicable.
4. Request approval and signature from your intended major advisor, if applicable.
5. Request approval and signature from a college advisor in the second college and leave the petition with the second college advisor.
6. If approved, the second college will submit your petition via CalCentral. Approved changes to your degree goals and expected graduation term will be reflected on your CalCentral records within two weeks. Contact the second college advisor if you do not see any changes after two weeks.

STUDENT INSTRUCTIONS:

- Starting with the current term, list all courses you plan to take, including those needed to complete major(s), college/school, and university requirements (see <https://lsadvising.berkeley.edu> for details).
- Your program plan should include your in-progress courses for the current semester. You DO NOT need to list previous coursework that you have already completed. If you do not know the exact department or number of the course(s) you intend to take, put place-holders.
  - Examples:** "Elective" or "Major Course."
- You must specify whether a course is **upper division (UD)** or **lower division (LD)** to verify unit and residency requirements.
  - Examples:** "Econ 100A (UD)" or "Chem 1A (LD)."
- When filling out the "Req" column, you should indicate if a course fulfills a requirement.
  - Examples:** "major," "minor," "college," "elective," "premed."
- A minimum of 13 units must be listed for each semester unless you are [approved for a reduced course load](#) by L&S. If you are planning to request an RCL, it is important to plan ahead and gain approval from the appropriate offices.
- If you have completed or have pending transfer work, you can indicate this under the "Course" column. More information about [transfer coursework](#) is detailed on the L&S website.
- Ensure that all requirements that you need to fulfill for graduation are included on the program plan. Additionally, be mindful of the [Unit Ceiling and Semester Limit](#) policies. It is important to prioritize major requirements and college requirements to ensure timely progress towards graduation.

UNDERGRADUATE MAJOR ADVISER INSTRUCTIONS:

- Please review and sign the student's L&S Undergraduate Program Plan to confirm that the course(s) listed will help satisfy major requirements.
- Refer students to an [L&S College Adviser](#) to discuss remaining L&S graduation requirements and the semester limit/unit ceiling.
